Sub: Progress in the implementation of Spoken Tutorial Software Training

Madam/Sir,

In continuation to earlier letter no. 36034/HE/22/12/2016, I am directed to request you that Director, College Development Council of the University may be asked to monitor the progress of implementation of Spoken Tutorial software training in colleges on monthly basis. The number of colleges who have started training is too small and many are yet to come on board. In this regard, slight motivation is required from the University side. The current status of the progress is enclosed for your kind reference.

Therefore, you are requested to send the progress report, which can be uploaded on Higher Education website by 28th February, 2017.

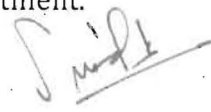

This may kindly be treated as "Urgent".

Yours faithfully
