

**SWAMI RAMANAND TEERTH MARATHWADA UNIVERSITY, NANDED
SPOKEN TUTORIAL, IIT BOMBAY**

CIRCULAR

To

All Principals / Directors,

All Colleges and schools,

Affiliated to SWAMI RAMANAND TEERTH MARATHWADA UNIVERSITY, NANDED.

Subject: Spoken Tutorial Software Training Program, IIT Bombay as Knowledge Partner.

This is to announce that **SWAMI RAMANAND TEERTH MARATHWADA UNIVERSITY, NANDED** has partnered with **Spoken tutorials, IIT Bombay** which is an **NMEICT (www.sakshat.ac.in)**, **MHRD, Government of India** initiative to enhance the skill set of our students **both UG and PG courses** to promote and enable this ICT effort in the constituents. SPOKEN TUTORIAL is an award winning MOOCs (from Google), running a successful IT training program in India since the past 5 years.

Training is offered on **Free and Open Source Software (FOSS)**, like Linux, FOSS is non – commercial as well for many FOSS, there is no commercial equivalent (C, Java etc.). Exotic and lucrative courses like Python, Perl, BASH, GIMP, Blender for multimedia, can be learned effectively through Spoken Tutorials.

The courses are useful for both jobs (**Skill focus courses**) and academics (**Syllabus focus courses**). The program is funded by NMEICT – www.sakshat.ac.in– MHRD Govt. of India. Hence, the courses, training, day to day guidance and certificates are all completely **FREE** of **COST** for life.

Till date, more than 35 lakh students have been trained nationwide. Over 115 affiliating universities have partnered formally with SPOKEN TUTORIAL. FOSS in e-governance in many states are going for Open Source Software, hence knowledge and skills in these will help with Govt. employment.

Principals are encouraged to introduce the program in their colleges by appointing a coordinator from the college who will work with SPOKEN TUTORIAL team. The training is on campus and can be accommodated in Computer Lab hours.

The coordinator will:

1. Register / create a login ID and become a authorized member of the program
Website: **www.spoken-tutorial.org** Registration Link
2. Plan the various training sessions for different depts., both in and outside the time table and can start with Computer Science/ IT/ BCA. See the list of software for all the departments. (Click here [E-Brochure](#))
3. For courses suiting learning during computer practical hours, the Spoken Tutorial team will recommend the suitable Spoken Tutorial software course to help in selection.
4. In the beginning of the semester, instructors will load the particular courses in the systems. [Download the course link](#)
5. Please contact Maharashtra State Training Coordinator :
