and customized learning. Moodle has many built-in features ranging from the basics such as file upload, assignments, quizzes, notifications and advanced features such as forums, quizzes, wiki, etc. that can be used by learners. It also has many easy-to-install plug-ins such as attendance, reminders, analytics, etc., to supplement these features.

The accreditation bodies NBA and NAAC also value the use of ICT blended Teaching Process for qualitative outcome.

At the end of FDP you will be well versed with Moodle. We appeal you to take benefits from this Faculty Development Program.
