I give thanks to the organisation to launch
the workshop on 'Libre office suite Calc'.
The workshop is very-very useful for us. In
this workshop I learned that Libre office suite
Calc is equivalent to microsoft excel.
The video & audio quality of presentation
is very good. In this workshop I learned to make
a Balance sheet. In my opinion the text should be
in large.

Feedback: Firstly, I would like to thank to the organizer to make a workshop on "Libre office suite Calc" at the N.C.E. Chandi. I personally feel that I had learned a lot particularly the best way which is more effective method of teaching in comparison to our traditional method of teaching. In which I learn that Libre office suite Calc is equivalent to Microsoft excel. It is best in compare to Microsoft excel because it is open source software it can be copied, reused and distributed free of cost. The videos and sound quality of the tutorial is very good. Slide presentation and delay timing is good for understanding the content.
