Directorate of Technical Education  
Assam

24th March 2015

We are happy to collaborate with DTE, Assam as a Knowledge partner. We are here to contribute and supporting DTE mission "To improve the quality of Technical and Higher Education in Assam". Spoken Tutorial provides ICT enabled learning of various software. We hope you will offer the training to all the students in the college in a time bound manner and spread the awareness of the project in the state. ***The project is a part of the National Mission on Education through ICT, MHRD, Govt. of India, to spread IT Literacy all over India.*** We are offering an award winning MOOCS, the Audio-Video teaching tool, 'Spoken Tutorial', which is used to teach a variety of Software. These provide Software Skills with both employment focus and academic focus.

*We are ready to support you in your efforts to train students on Basic Computer Skills, Software and IT.* The course and the training will be offered free of cost to all institutions both Govt., and Private.

- The Spoken Tutorial team at IIT Bombay will work with you and arrange the mentioned training programme for all relevant courses offered in the colleges.
- The team will also support and guide all individuals at the college/ department level as they firstly introduce the training and then gradually expand it to all.
- The team will also provide brochures, leaflets, posters and Cds where necessary and financial support for a local resource from Assam Engineering College for a while.

DTE will announce, enable and monitor or track the training as it is introduced and expanded into all the Institutes under DTE Assam.

As an expression of interest to partner with us on this training please sign this note and send us the scanned copy. I will be happy to answer any questions.
