Facility of Software Training available from Spoken Tutorial Project – IIT Bombay

To All Principals and HODs,

This is to notify all colleges, institutes, and polytechnics to organise Software training for their students, on their campus itself. This initiative is brought to you by Spoken Tutorial Project, IIT Bombay. Spoken Tutorial is a unique Audio-Visual instructional tool which trains in the Distance Learning method. This project is an initiative of NMEICT, MHRD, Govt. of India. Hence, the training is FREE OF COST. **We want all the Institutes to take active role and advantage of this program.** All India the response is overwhelmingly positive, over 2 lakh students and teachers have been trained in the past 2 years. Clearly this training is much in demand by students.

The Software include **Linux, LaTeX, Scilab, PHP&MySQL, Python, Java, C/C++, OpenFOAM, Blender, K-Turtle.** These are very useful in the job market. Colleges can select one or more as per their wish. For each Software, the training is [2 hours for Workshop + self revision-2-3 weeks + 1 hour assessment test], **dates and timings of the workshops and tests can be decided by the Institute or department according to their convenience.** Certificate will be given from Spoken Tutorial Project, IIT Bombay.

Suggested roll out of the training over 2 semesters -

1. Include the Workshops in the lab hours.
2. Organise the training during free time of the students.

You will need to assign a Faculty member, who will contact the Spoken Tutorial Project team at IIT Bombay and become an authorized member.

For more details regarding the courses, please contact –
